# Coffin and Casket Range

## Coffin Selection

### Chestnut Willow Traditional

Willow canes from fast growing trees, coppice grown on a two or three year cycle. The canes are sustainable and benefit the local ecology and the environment in general.

### Pathway

This natural wood, biodegradable coffin allows for a truly unique and personalised send off with each person designing their own section, or each panel marking a different part of the life lost.

### Hainsworth Wool

Manufactured using pure new wool supported on a strong recycled cardboard frame. The wool is both sustainable and biodegradable.
